

How to reach Mark Supik & Co. at 1 N. Haven Street. Baltimore, 21224

Coming from the South via the 895 Tunnel:

Take exit 12 (Lombard Street) after passing through the tunnel. At the end of the ramp, turn right onto Lombard Street (head West). Go over the bridge. After the bridge go through one light (Kresson Street), then turn right at the next light (Haven Street). Heading north on Haven street, pass through one light (Baltimore Street). The shop is on your immediate right at 1 N. Haven Street. To reach the parking lot, continue north on Haven Street till you reach the end of the chain link fence. There is a gated opening. Turn right through the gate to the end of the drive, turn right and head towards the dust collector tower for plenty of parking.

Coming from the East via Route 40:

Turn left off Route 40 at Haven Street. Proceed south on Haven Street until you see a traffic light ahead. To reach the parking lot, turn left just before you reach that light at Baltimore Street. There is a gated opening in the chain link fence. Turn left through the gate to the end of the drive, turn right and head towards the dust collector tower for plenty of parking.

From Downtown:

Follow Pratt Street east from the Inner Harbor. Pratt Street dead ends at Patterson Park, turn left onto Patterson Park Ave and travel two blocks north to Baltimore Street. Turn right onto Baltimore Street and travel east until Baltimore Street ends at Haven Street. Turn left onto Haven St. The shop is on your immediate right at 1 N. Haven Street. To reach the parking lot, continue north on Haven Street till you reach the end of the chain link fence. There is a gated opening. Turn right through the gate to the end of the drive, turn right and head towards the dust collector tower for plenty of parking.
